This 2-day training provides a comprehensive advanced clinical training in the background, research, theory, principles, and techniques of Prolonged Exposure Therapy (PE), which is an evidence-based treatment for Post-Traumatic Stress Disorder (PTSD). Attending participants will leave this training prepared to utilize this protocol with proper follow-up consultation. Training will include didactic presentation, video presentation, video of protocol use, role play for all participants.

Ted C. Bonar, Psy.D. is a clinical psychologist and a nationally recognized trainer and speaker at conferences and universities. He is currently the Clinical Director for PSYCHhub, an online learning platform co-founded by former Congressman Patrick Kennedy (D-RI) and former PsychArmor Institute CEO Marjorie Morrison.
